

# ChessKids

This fall join other Fox Valley Montessori kids for the exciting and rewarding ChessKids one-hour weekly chess program. The fall session begins **Thursday, 9/10 at 11:30 am.**

**New ChessKids will receive a tournament chess set, course textbook, and weekly lessons through November 19 for only \$180!!!**

The ChessKids programs are appropriate for kids at least four years old and no prior knowledge is necessary. The programs utilize the Comprehensive Chess Course series. Each lesson introduces new theoretical material while allowing plenty of time for playing the game. By the fifth lesson, the kids will be acquainted with the moves of all the chessmen.

**Returning ChessKids will receive individualized instruction consisting of weekly lessons through November 19 for only \$150!!!**

The Returning ChessKids program emphasizes reinforcement of all skills learned in previous programs. The goal of this program is mastery of specific chess strengths in each ChessKid. Additionally, Returning ChessKids will be prepared for participation in tournament play.

For more information call Scott Zehnal at 630-939-0408 or complete this slip and return it to the front desk. Class will not meet when the school is closed.
