

Martial Arts *In Motion*

Learn how a study of the martial arts can enhance your child's education. Greater confidence, a positive attitude, self-discipline and honesty are all obvious by-products of an education in Tae Kwon Do, Hap Ki Do and Kickboxing, as taught by Instructor Chuck Warden.

Mr. Chuck has been teaching for over seven years; he has been practicing the martial arts for 22 years. Belt promotion testing is done every 12 to 16 weeks during class time. Only children who have worked hard and tried their best (including behavioral and listening skills) will be eligible. Parents will be given an application for promotion with a fee of \$20 before a promotion test.

Enrollment in our class can occur at any time during the year. The first month's tuition needs to include the \$12 registration fee and an optional, additional \$32 for a uniform. It is assumed that your child is continuing enrollment (thus you will be billed monthly), unless we receive a two-week cancellation notice from the family.

\$40/month tuition	\$12 one time registration fee
